# RM1

## Podcast meets Broadcast

# The all-in-one audio interface

## Focus on what matters most

Integrated mixing function and broadcast-proven plugins like EQ, Dynamics, and Automix handle your audio, so you can just focus on speaking.

## Make it yours

Customize audio settings to match your style. Use the web based control interface to create a unique sound that resonates with your audience.

## Versatile possibilities

From inspiring podcasts and engaging interviews to dynamic live streams and even on-location recordings, our interface captures your unique voice and vision with crystal-clear audio.
